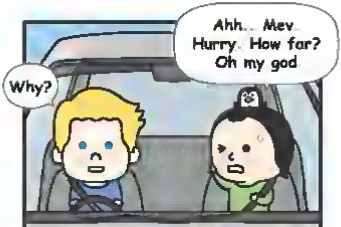
... somehow we sometimes like to put the other in a worse situation.



One day,
we were going somewhere.

My Trouble, Your Trouble

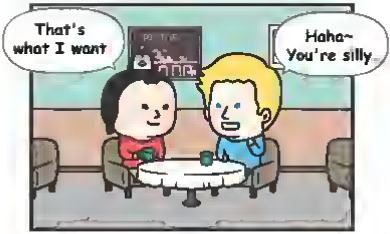
I believe,

a married couple should share
the weight of difficulty

I won't attack
you ever again.

I pushed his lower belly
to put him in trouble.

We automatically attack each other whenever we want to go to the toilet like this.



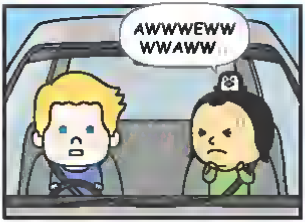
But recently, Mev said something horrible and then left to the loo.

We can do it!!

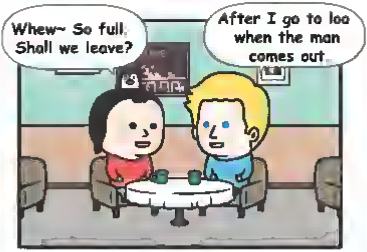
And they get through trouble together.

It's done!

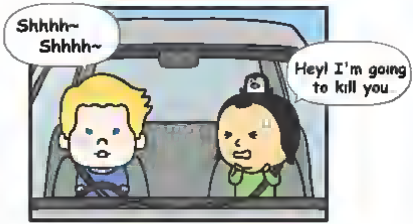
However,...



I was dying for the toilet.



When Mev wanted to wee,...



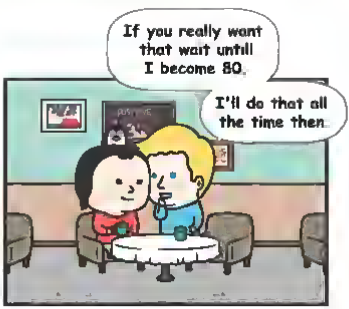
Then Mev made a sound which made me want to wee even more.

Or...

LINE Webtoon

The water that I'd drunk just before we left
home is trying to come out

Oh, it will take at least 20 more minutes
Oh god!!!



If you really want that wait until I become 80.
I'll do that all the time then.
